Re: Closure of Administrative Order
Docket No. SDWA-8-2000-04
PWS ID# WY5600186

Dear Mayor Ibarra:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close Administrative Order ("Order"), Docket Number SDWA-8-2000-04, issued to the Town of Hartville ("Hartville") on May 23, 2000. EPA has decided that, notwithstanding your noncompliance, as noted in EPA's February 20, 2004 letter, specifically Hartville's August 2002 total coliform monitoring violation [40 C.F.R. § 141.21(a)] and September 2001 monthly maximum contaminant level violation [40 C.F.R. § 141.63(a)(2)], we will close the Order at this time. This decision is based on Hartville's compliance with the Order since August 2002.

Please be aware that you are still required to comply with the National Primary Drinking Water Regulations ("NPDWR"), 40 C.F.R. part 141. Violation of the NPDWRs or an administrative order may subject you to a court-imposed injunction and penalties of up to \$27,500 per day of violation.

If have any questions about your compliance requirements, please call Gina Andrews of my staff at (303) 312-6688.

Sincerely,

Lisa Kahn, Team Leader
Drinking Water Enforcement Program
Office of Enforcement, Compliance
and Environmental Justice
